

## BATHILDA BAGSHOT

Written by the greatest magical historian of our time, 'A History of Magic' is a must-have book for every witch and wizard who cares about our magical heritage. It covers the history of our wizarding world starting from our ancient Celtic ancestors in Ireland up to the twentieth century.

Bathilda Bagshot is most celebrated for her extensive research of witchcraft in the Middle Ages and her sublime reports of the Goblin wars. At the age of 140, she lives a quiet life in the peaceful hamlet of Godric's Hollow, Great Britain where she continues her research.
